

To whom It May Concern -  
I have been going to Emily  
Isenberg for a year and she  
is fantastic. She is very knowledgeable  
about treatments, and also made  
me feel very comfortable during  
my appointment + treatment.  
She listened to my questions +  
concerns and was able to  
answer all of them. I'm not  
always an easy patient and  
Emily did a great job with  
my treatments. I have and  
I will continue to recommend  
Emily to everyone I know!

Sincerely,
